Prayer by Rev. J. A. French, of Austin, as follows:

"Lord, Thou hast been our dwelling place in all generations. * * * From everlasting to everlasting Thou art God." Thou art the God of nations and of States. Grant thy blessing, we beseech Thee, upon these Thy servants, called by the suffrages of their fellow citizens to formulate laws for the government of this great people. Give them a just apprehension of the grave responsibilities resting upon them. Give them wisdom and discretion that they may seek the highest welfare of

the State. May they remember that the foundations of this government were laid in Thy fear, and may they so perform the obligations resting upon them as to win Thy favor. Bless with Thy grace the various officers of this body, that they may walk in Thy ways. Grant we beseech Thee to the Governor of our State wisdom and understanding that he may so administer its affairs as to promote Thy glory and the best interests of the whole people. May Thy blessings extend to our entire nation, with all its varied interests; to the President of the United States, and to all others in authority. Endue them plenteously with Thy grace, that they may live soberly, righteously, godly in this life, and, after this life may they share everlasting joy and felicity at Thy right hand in Heaven. We ask these things through Jesus Christ, our Lord, to whom with the Father and the Holy Spirit be never ending glory. Amen.
